

Outstanding Chapter Award Nomination

Use this document to preview the questions asked on the nomination form and then submit your nomination using Survey Monkey.

Please provide information about yourself so we can contact you regarding this submission if needed for questions or further clarification.

Outstanding Chapter Award - Eligibility and Prerequisites

- Chapter must be in good standing and in regular communication with ASFPM.
- Chapter achieves its expressed mission as outlined in their Articles of Incorporation and/or Constitution.
- Chapter works together as a team with many members, not just a couple of leaders on activities.
- Promotes good floodplain management through various chapter activities, not just a single activity or initiative.

What is your relationship to the Chapter? Please select all that apply.

- Chapter Board Member
- Chapter Committee Chair
- Chapter Executive Director
- Chapter Member
- ASFPM Board Member
- ASFPM Committee Chair
- Other

Please provide contact information for the chapter you are submitting for consideration and who to contact for further information or clarification.

To your knowledge, does the chapter you are nominating meet the criteria above?

Please describe the activity for which you are nominating this Chapter for the Chapter Award.

When did this activity occur? Please provide the estimated timeline of when this activity began and duration

Eligible activities must be replicable by other organizations. Replicable documentation must include: estimated timelines for implementation, necessary resources (financial, volunteer, leadership, expertise, web / email, etc.), estimated number of participants/volunteers/leaders to support activity, descriptive steps from beginning to maintenance phase of activity.

Is the recognized activity documented in such a way that it can be replicated by other chapters?

Eligible Activity must be communicated with ASFPM for sharing with other Chapters.

How and when was this activity communicated with ASFPM (not including this nomination)?

To be eligible for consideration the recognized activity must be documented. Please describe how and where this information is documented (chapter website - include link, newsletter, etc.). *You will have an opportunity to upload these documents/materials on the next page*
